

Successful Interviewing

Category: Personal Development

Course Details

Course Duration: 1 Day

Timings: 09:30 - 16:30

The following topics are covered on our Leadership Development Workshop:

- Identify the key questions that should be asked at interviews
- Look at the importance of preparation in conducting an interview
- Consider the do's and don't's to effective interviewing
- Encourage delegates to practise through role play
- Analyse their own interview techniques and produce an action plan for taking back into the workplace
